

THE LITTLE RED & WHITE BOOK

Fall Master Catalog #41
2011

The Urban Homemaker is a family owned business in it's second generation.

We are nestled in the Rocky Mountains of Western Colorado where living life close to the land is a common practice.

We are dedicated to teaching and promoting “Old-fashioned Skills for Contemporary People”.

We believe in, and practice the “home arts” of flour milling, bread making, canning, dehydrating & preserving in a way that promotes better nutrition, thrift and savings, and a self-sufficient lifestyle.

We offer high quality natural and back-to-basics products that we use and recommend.

[1135] \$199.99

Wondermill
Type: Micronizing, Electric
12 -14 Cup capacity flour canister. Adjusts from pastry-fine to cornmeal texture. The grain mill separates from the flour canister so you can store the canister directly in the freezer or on a shelf (our 18" bread bag, #4056 works as a flour bagger with your Wondermill (see video online). A 1250 watt LG Electronics motor means you don't worry about overloading the Wondermill. Grinds wheat, corn, rice, and other small grains like Quinoa and Amaranth, it also grinds legumes and beans. Six year limited warranty and Lifetime warranty on the milling mechanism. Size: milling unit 8"dia. x 12"h; Flour canister 8"dia. x 7.5"h. [2050] **\$259.95**

Small Grains Attachment
Salt, Teff, Tapioca Pearls, etc. [2053] **\$14.99**

Nutrimill
Type: Micronizing, Electric
The popular Nutrimill "micronizing" grain mill provides a range of flours from pastry fine to coarse as cornmeal with an extra large hopper and removable flour canister. Grain hopper and flour canister each are large enough to hold enough grain to mill enough flour for up to five to six large loaves of bread or about 21 cups of flour without having to refill the hopper. Mills a wide variety of grains and dried beans. Milling chamber is self-cleaning. Size: approx. 14" tall, 13" dia. Limited Lifetime warranty on motor/milling heads and electronics. 10 year on parts & plastic. [2065] **\$259.99**

Flour Bagger Attachment
Mill directly into a freezer safe bags [2064] **\$59.99**

Wolfgang Flour Mill >
Type: Ceramic-Corundum, Electric
A World Class mill designed by master craftsman, Wolfgang Mock. Not mass produced, but are precision engineered and imported from Germany. [2066] **\$599.99**

< Coffee Grinder & Seed Mill
Mill just about anything: Coffee, spices, seeds, legumes, etc. Grind from course to fine with one button control. Available in White or Black. [1325] **\$24.99**

MANUAL GRAIN MILLS

For more grain mills visit our website to see the complete selection.

Country Living Grain Mill
Designed to last many lifetimes! Industrial quality; requires 30% less energy to turn. Easy dial self-locking adjustment. Large hopper holds 2 lbs of wheat. Hand-cast solid aluminum body. Easy conversion to electric motor. [2180] **\$429.99**

Grain Mill by Victorio
A small hand mill is the perfect way to crack grains for breakfast cereals or for breads. Capable of producing fine flours in emergencies. [2100] **\$79.99**

Marga Grain Roller and Flaker
Roll/Flake whole grains for hot cereals quickly and easily. This hand operated mill makes it possible to prepare fresh cereal flakes such as oats, wheat, rice, rye, etc. in just a few minutes. Three hardened steel rollers turn at different speeds. Can be adjusted for different grades of flour and flakes. Two year warranty. [2160] **\$119.99**

Family Grain Mill
This steel cone milling system is powered with a powerful, quiet Bosch electric motor or a hand operated base (included). Set includes mill, flaker, vegetable processor, and meat grinder. Limited lifetime warranty. [2184] **\$499.99**

Wonder Junior Deluxe
For years hand grain mills have either been really cheap or really expensive, and unfortunately their ability to perform has been directly related to their cost. Cheap mills perform poorly and expensive mills perform great.

The Wonder Junior Deluxe was designed to create the perfect balance of versatility and high quality like the more expensive hand mills at a price that was affordable to the everyday homemaker.

Large hopper holds over one quart or 4 cups. Solid, one-piece construction. Stone heads are one-third thicker than other hand grain mills to give a lifetime of use. Create super fine flour or coarse cracked grains for cereals.

Swap the stone heads for the stainless steel burr heads you can make delicious peanut butter and other nut butters, grind flax and other oily or wet grains, herbs and spices, soy beans, legumes, fresh coffee and more! Limited Lifetime Warranty. [2052] **\$219.99**

50 lb. bag [9704] **\$35.99**

Organic Whole Barley
A very versatile grain. Adding barley flour to your whole wheat flour will give you a lighter colored loaf of bread.
25 lb. bag [9911] **\$18.99**
Organic Dehulled Barley
25 lb. bag [9912] **\$20.99**

Mill your own flour for fresher flavor and better nutrition.

Flour is at its flavor and nutritional peak immediately after being milled.

Our wheat is better!

- 1) Grown at high altitude
- 2) Grown in semi-arid conditions
- 3) Grown with hot daytime temperatures
- 4) Grown with cool nighttime temperatures

These four crucial factors come together to "stress" the grain and produce a higher protein content for better nutrition. The semi-arid conditions keep the moisture content low resulting in longer shelf life.

We offer Certified Organic and Natural grains. All our grains are Non GMO and Kosher Certified. Thorough cleaning means no dirt, stones, or foreign debris.

Spelt
Spelt can often be used by people allergic to whole wheat bread.
25 lb. bag [9474] **\$35.99**
50 lb. bag [9475] **\$64.99**

Our Famous Whole Wheat Bread Recipe

This is a versatile recipe! Use it to make cinnamon rolls, pizza dough, bread sticks, and more.

For more bread recipes see our web site and blog.

Hand Method

Yields 2 loaves
 1/3 C honey
 1/3 C oil
 2 1/2 C Warm Water
 1 1/2 TB Saf Instant Yeast
 2 1/2 tsp Real Salt
 6-7 C Fresh whole wheat flour
 1 1/2 TB Dough Enhancer

Combine the warm water, yeast, and 2 Cups of fresh whole wheat flour in a large mixing bowl. Allow to sponge 15 minutes. Add honey, oil, dough enhancer, salt and remaining flour until the dough begins to clean the sides of the mixing bowl. Do not allow the dough to get too stiff (too dry). Dough should be smooth and elastic. It is a common mistake for the beginning bakers to add too much flour.

Hand Method

Knead the dough 7-10 minutes or until it is very smooth, elastic, and small bubbles or blisters appear beneath the surface of the dough. Add the minimum amount of flour to keep the dough soft and pliable. Use a small amount of oil on your hands and kneading surface to reduce stickiness. Form dough into 2 loaves and place into greased loaf pans. Allow to rise in a slightly warmed oven or other warm place until doubled in size (about 30-60 minutes).

Large Mixer Method

Yields 5-6 loaves
 2/3 C honey
 2/3 C oil
 6 C warm water
 3 TB Saf Instant Yeast
 1 1/2 - 2 TB Real Salt
 16-20 C fresh whole wheat flour
 3 TB Dough Enhancer
 1/3-1/2 Cup Vital Wheat Gluten

Large Mixer Method

Knead 6-10 minutes (use speed 1 on the Bosch Universal Plus) this should be sufficient to develop the gluten if you are using fresh flour. Form the dough into 5-6 loaves and place into greased loaf pans. Allow to rise in a slightly warmed oven or other warm place until doubled in size (about 30-60 minutes).

Baking

Bake loaves for 25-30 minutes in a 350 degree oven. Bread is cooked through when it sounds hollow when tapped on the bottom, and when the top and sides are a golden brown color.

Gripping Cutting Mats
Avoid cross contamination by using different color for each food group. Measures 15" x 11". Set of 4 [4100] **\$11.99**

My Favorite Scissors
The best tool in the kitchen. Cut herbs, mince chives, snip ends of beans, trim fat off meats. 6" overall [4107] **\$7.99**

Rock salt, 4 lbs [1326] **\$8.99**
Anti-freeze Ice Cream Scoop [4103] **\$5.99**

Gardenmaster Dehydrator
1000 watts of drying power means you can dry more, faster!

Expands to a giant 30 trays so you can dry large quantities all at once! Patented Converga-Flow® fan forces heated air up the exterior pressurized chamber, then horizontally across each individual tray, converging in the center, for fast, even drying. No tray rotation needed.

Adjustable temperature control 95-155°F. Vita-Save® exterior blocks harmful light to retain more of the food's nutrients and vitamins during the drying process.

Dries in hours, not days!
Fruit rolls 3-6 hours
Beef Jerky 4 hours
Apples 4-6 hours
Bananas 5-8 hours
Pineapple 4-6 hours.

Includes: 52-page recipe and instruction book.

Gardenmaster 4-Tray
Includes: 1 no-spill fruit roll sheet, 1 Clean-A-Screen® mesh sheets, 1 packet jerky spice. [2200] **\$149.99**

Gardenmaster Pro 8-Tray
Includes: 8 no-spill fruit roll sheets, 8 Clean-A-Screen® mesh sheets, 1 packet jerky spice. [2205] **\$179.99**

Add-A-Tray
Set of 2 [2210] **\$29.99**
Fruit Roll Sheets
Set of 2 [2220] **\$14.99**
Clean-A-Screen
Set of 2 [2230] **\$14.99**

L'Equip 528
530 watts, variable temperature control (93-153°F). Unique air-flow gives uniform drying. Includes 6 trays (stacks up to 12). Same micro-processor controlled heat sensor as the FilterPro. Includes: 6 full-size and 2 fruit leather trays, 6 mesh screens, instruction book with recipes. Choose Grey or White. 528 [2277] **\$119.99**

L'Equip FilterPro
530 watts, patented "clean air" filtration system, micro-processor controlled heat sensor (98-158°F), digital LED time and temperature display, auto shut off timer. Includes 6 trays: 2 deep and 4 regular, clean air flow filter, 6 mesh screens, 2 fruit leather trays, 4 yogurt cups, instruction book and recipes. FilterPro [2279] **\$149.99**

 F) 8 liter stockpot [3150] **\$219.00**

- Five back-up safety systems prevent excessive pressure build-up
- Integrated automatic lid-locking system
- 18/10 stainless steel will not interact with food and is dishwasher safe
- Spring-loaded precision valve eliminates the guesswork
- 10-year warranty (excluding replaceable parts)
- FREE Quick Cuisine Cookbook (except Ecomatic and Stockpot)

WHY YOU SHOULD CONSIDER PRESSURE COOKING

Pressure Cookers are fast, energy efficient, and safe.

Healthy - Enables you to cook with less fat and oil so your food retains more nutrients.

Fast - Meals cook in up to 70% less time versus regular cooking methods.

Better Tasting - Pressure cooking retains and intensifies flavors and the pressure tenderizes tougher cuts of meat and softens beans, improving textures and flavors.

Lower Energy Use - Use 60-70% less energy than traditional cooking methods.

Safe - High quality Pressure Cookers have automatic lid locking systems and integrated pressure release systems.

B/R/K Pressure Cooking System
 "Single-handed" interchangeable Pressure Lid converts any of the pots into a pressure cooker. 70% reduction in cooking time; 60% reduction in energy use. Pressure Valves, and Seal Rings ensure safe operation. 18/10 Stainless Steel construction. 10 yr warranty.

6 pc 20cm set: 8" dia., 3 & 5.5 liter pots, 2 glass lids, pressure lid, steamer, cookbook [3151] **\$259.99**

Vapo-Seal Waterless Cookware
 • 7 Ply, 9 Element Surgical Stainless Steel Construction
 • Lifetime Warranty

Heavy-duty, 304 Surgical Stainless Steel cookware the healthiest cookware to use because you can cook without oil or water. This is called "waterless cooking." Oil and water are the two great destroyers of flavor and nutrition. Almost 50% of nutrients are lost when food is boiled. Using waterless high-quality cookware you'll retain nutrients and flavor by cooking on low heat with little-to-no water. The fit of the vapor-sealed lid is made with precision so that no flavor or nutrients escape into the air.

Vapo-Seal 17 pc. Set
 1.5, 2.5, 3.5 Qt. Saucepan and cover. Steaming/Straining unit, 11" Skillet and cover, 7 Qt. Dutch Oven with dome lid, Poaching Rack and 5 egg cups. [3510] **\$329.99**

Tested and certified under NSF/ANSI Standards

Reduces a wider array of harmful items than Granular Carbon, Distillation, Ceramic filters, RO systems, etc.

Multi-Pure's Triple Guarantee

- go Day Satisfaction Guaranteed. If for any reason you are not completely satisfied with your Multi-Pure Drinking Water System, Multi-Pure will refund 100% of the purchase price.
- Lifetime Housing Warranty (Provided that filter has been replaced at least once a year)
- 12 Month Accessory Warranty

Visit our website for complete details, video and testing documentation.

SOLID CARBON BLOCK FILTER

Multi-Pure uses a solid carbon block filter that is considered to be the most effective method for reducing a wide range of contaminants of health concern, which may be present in the water. The carbon is compacted into a dense structure, causing every molecule of water to be forced through microscopic pores of carbon, effectively reducing pollutants. The Solid Carbon Block Filter is a replaceable cartridge designed so that it can be easily changed. Some additional advantages of the Solid Carbon Block Filter are that it does not waste water, there is no electricity required, it does not remove essential trace minerals that are beneficial to good health, it does not add salt or silver to the water; and it provides fresh, delicious, healthy drinking water.

COUNTERTOP UNITS

Model MP88oSC
88o series for counter top use. Stainless steel housing with a concave bottom [8022] **\$524.95**
Filtermania [8022.1] **\$1249.50**

Model MP75oSC
75o series for counter top use. May be converted to below sink with purchase of optional adapter [8004] **\$399.95**
Filtermania [8004.1] **\$699.50**

Model MPCT
Stainless steel model for counter-top (may not be converted to below sink). Use the same CB6 filter as the 75o series. [8005] **\$319.95**

Aqua Dome
Aqua Dome counter top model offers the convenience of being able to connect to your existing faucet using a high-tech diverter valve. Reduces a wide range of contaminants including Cysts, Lead, PCBs, MTBE, Mercury, Asbestos, Chlorine, Chloramine, VOCs and many more other contaminants of health concern. [8017] **\$259.95**
Filtermania [8017.1] **\$419.70**

BELOW THE SINK MODELS

These versatile units can sit on the cabinet floor or be mounted on the cabinet wall with a bracket. Each system uses its own designer faucet which is installed directly on your sink, requiring little space.

Model MP75oSB
This versatile unit can sit on the cabinet floor or be mounted on the cabinet wall with a bracket. The system uses its own designer faucet which is installed directly on your sink, requiring little space. It may be connected to an icemaker using an icemaker tee, and it may be converted to a counter top unit with the purchase of a conversion kit. Filter life/capacity is approximately 750 gallons. Replacement filter model CB6. [8003] **\$429.95**
Filtermania [8003.1] **\$629.95**

Model MP88oEL
This is the same advanced system as the MP88o paired with an electronic capacity monitor that lets you know when the filter should be changed. [8024] **\$4.99**
Filtermania [8024.1] **\$1329.50**

Model MP120oEL
Metered system for large families. The electronic capacity monitor that lets you know when the filter should be changed. Uses the same replacement filter Model 75o Series. [8006] **\$509.95**
Filtermania [8006.1] **\$779.50**

Model MP88oSB
The most technologically advanced water treatment devices available, providing the BEST in performance - reduces all of the contaminants that the other Multi-Pure Drinking Water Systems do, PLUS ARSENIC!

The MP88oSB comes with its own designer faucet and may be connected to icemaker. Stainless Steel housing with round bottom. Replacement filter model CB11As. [8023] **\$549.95**
Filtermania [8023.1] **\$1249.50**

Inline Units
For use in-line with a refrigerator hook-up or instant hot water system.
MP75oSI [8011] **\$359.95**
Filtermania [8011.1] **\$699.50**
MP88oSI [8025] **\$489.95**
Filtermania [8025.1] **\$1249.50**

Replacement Filters
Genuine Multi-Pure replacement filters.
CB5 [8007] **\$59.95**
CB6 [8008] **\$69.95**
CB6AD [8018] **\$69.95**

ION Drops
For treatment of water for long term storage and emergencies.

ION is a non-toxic solution of stabilized electrolytes of oxygen. The greatest value of ION is that it kills disease, infections and putrefying anaerobic bacteria while stimulating the growth and development of normal beneficial bacteria. It is stable and does not dissipate in water or other liquids, except in lemon juice. It has an indefinite shelf life, even after being opened.

62 ml [8000] **\$16.99**

Ultra Power+ Detergent
Highly concentrated, superior stain removing powder. Biodegradable. Washes up to 400 loads. 4.4 lbs. [8183] **\$27.99**

Clean Without Chemicals

After use, most cleaning chemicals end up making the journey from our homes down the sink, toilet and drains into our environment. Many of these chemicals can have harmful effects, not just to our environment but also on animals and aquatic life.

Use Wet or Dry

Dry: Microfiber cloths produce an electrostatic charge that removes dirt, germs and bacteria, leaving a clean, polished surface.

Wet: When wet the fibers use capillary vacuum force to pull moisture and grease from the surface up into the fibers.

In laboratory testing, Norwex antibac Microfiber has been proven to remove up to 99.9% of the bacteria from a surface and inactivate it within 24 hours.

Normal Cotton Fiber only attracts some dirt and spreads the rest around the surface.

Norwex Microfiber uses capillary action to pull dirt and grease within the fibers and away from the surface.

Mother's Helper
Make a great gift! Includes: 1 Window cloth, 1 Enviro Cloth (13"x13"), 1 Dust Mitt. [8153] **\$46.99**
